Phone	

Data of component	
Industry sector	
Component name	
Workpiece material	
Quantities	
Component dimensions	

This inquiry is regarding	
I would like some	

Objective in detail

Machine for the operation	
Manufacturer	
Type	
Tool adaption	
max. spindle rpm	
Power / Torque	

Available cooling options	
IK max. pressure (KSS) [bar]	
Type of coolant	
Type of clamping device	
Control system	

Comments on component resp. tool design

→ **Step 1: Please include all necessary information.**
(Drawings, material data sheets, 3d-models of the component etc.)

Name of attachment file for assignment

UPLOAD

Step 1: Attachment

SEND

Step 2: Inquiry form

→ **Step 2: Please send your inquiry form to: techcenter.haiger@ingersoll-imc.de**
